

April 2022 NEWSLETTER

It's a sure sign of spring because it is April and we have snow! But rest assured, spring is around the corner. This is a known fact since the Clubhouse is NOW OPEN! Woohoo! Thanks to all who helped!

The Board met on the 9th of April and there are many projects coming up this summer. The fence is going to be completed on the south side of the Clubhouse up to the hydrant; there will be continued road surfacing where necessary; and two additional camping spots will be added. It's going to be a busy, constructive summer with hopefully some time for fishing (if we have water)! Well, there's water but you might have to go to the other side to access it.

There is a new TV/CD player in the Clubhouse (thanks to a couple of donors) and an old tape and CD with past/present members! They really knew how to party! Wait till you see how crazy they were back in the day!!!

There was another donation of shades that will be installed on the west side of the patio that can be lowered when it is windy (which is hardly ever) so members can still enjoy being outside in spite of the _____. (That bad four letter word that starts with a W)

The first meeting of the year will be held on May 6th. Happy Hour at 5:30, **POTLUCK** Dinner is at 6:30PM with the general meeting at 7:15. Please bring a dish to share, your own table service and beverage.

If you are interested in volunteering this summer (which you all said you wanted to do when you became members) there are many projects for which volunteers are needed. They are as follows: burning driftwood and burn pile, treating slips, working on new camping spots, weed eating, mowing, hanging shades, entertainment committee, etc. A list will be posted at the Clubhouse and you can sign up there. Thanks in advance for stepping up to make this a GREAT club!!

Please mark on your calendar the July meeting will be held on the 8th **NOT** July 1st.

PROJECTS-If anyone leasing a lot has a project that involves any work outside your trailer please remember it needs to be approved by the Board and the State. If you have more than one project and one of them includes excavating it is best to submit a separate application for the excavation as it will require a more intensive review. Applications can be found on the BHBBC website.

REMINDER Your dues and lot leases are due May 1. Please note in your agreement and bylaws you are at risk of losing your membership if not paid, and we are reaching our maximum number so you don't want to risk losing it as there are people waiting to join.

WEBSITE - As a reminder, Lonnie Berett and Cindy Kamigaki are helping with Website administration. It's quite easy & fun once you learn how. The website has all the latest information and you may send us your club, lake or fish photos for posting on the Gallery Page.
