

April/May 2017 NEWSLETTER

Again, this newsletter begins bearing sad news. It was an oversight that there was no mention of Carol Flom's passing with the last newsletter. Even though it was several months ago the pain of losing a loved one remains and therefore the Board would like to express to the Flom family its condolences. Also, just recently Shirley Nessen passed away in Arizona. Our thought and prayers are with Jim and his family at this time.

The Clubhouse was opened on April 15th under somewhat chilly conditions. A good group of volunteers showed up and it was completed in no time with the exception of turning on the sprinklers. Brrrr just a tad too cold for that job. Waiting for winter to pass AGAIN! Snow is expected as this is being written.

The first meeting of the season will be held on May 5th with dinner at 6:30 and the general meeting at 7:15. Please bring a dish to share, your own table service and beverage.

State Parks Superintendent Dan will be on hand for this meeting to sell vehicle stickers for the year if you have not already purchased one. And.....in case you didn't know you may purchase them at the Cody Chamber of Commerce.

The last newsletter mentioned that the Commodore had been contacted by the State regarding expired vehicle licenses and/or State tags. If you happen to be one of the culprits and have not taken care of this please do so as soon as possible.

Incoming water is being released from the reservoir to make room for an extraordinary amount of runoff this year so it is important to keep an eye on levels for the purpose of tension on dock lines. Also, the level of the reservoir needs to be up high enough before lawns can be watered. Just an FYI

NOTE FROM THE HARBOR MASTER-Please keep an eye on lake level so tension on dock lines can be checked (please coordinate with Elton Klentz to change tension), and there needs to be a high enough level of water before lawns can be watered. Water levels may be low if runoff is high and water needs to be let out.
