

July 2017 NEWSLETTER

The lake is rising due to the rapid snowmelt! There have been some warm, warm summer days already and the landscape around the countryside is unbelievably beautiful!! What a great place we have to enjoy!

The Commodore announced at the last meeting the lease between the Club and the State has been signed and is good for another twenty years with reviews every five years until 2037! Woohoo!! There was a 2% increase in the Club's payment to the State and this will continue each year. The Board is considering a possible raise in lot rents and dues to help cover this cost as well as a rise in cost in other services. More to follow.....

The permit for the septic system renewal is still under public comment but once approved will be good for ten years. Another major project out of the way soon!!

Elections will be held in August and the positions up for election are: Commodore, Treasurer and Yogi Kobbe's position as Director. If you are interested in any of these positions please notify Judy Hockelberg, Phil Flom or Bob Flom.

The Entertainment Committee has been very busy planning some great events so please take a look at the calendar at the end of this newsletter. Especially take note of the Luau to be held on June 30th at 6:30 pm. The Club is providing a ham so if you would please bring a side dish to share that would be great. This is always a fun time so plan to attend!!

The Board would like to thank all those people who have volunteered to mow, and thanks to Tom, Lonnie and Yogi for their continued work on the north lawn project. The sprinklers have been tested but because the reservoir was so low they could only run for about twenty minutes, but over the past few days the water has come up considerably so it shan't be long before the grass is in!!

****The next meeting will be held on July 7th with dinner at 6:30 and the general meeting at 7:15. Please bring a dish to share, your own table service and beverage.

The Club now has internet but not for streaming and it is advisable **NOT** to do important work such as banking. As a reminder, please do not share the password "fishing425" with nonmembers.

The TO DO List is posted on the bulletin board on the east side of the Clubhouse so take a look and see what might interest you! We have such a great club because of all its volunteers!!
