

## July 2022 NEWSLETTER

Here it is July already. The reservoir is full but there is still quite a bit of debris floating around. Fishing is good according to some, with the fish within ten feet or so of the surface. You might be able to catch one from the shore!

Cajun and Shanna Friday, Patrick and Angela Shannon and Lana Varner became new members at the July meeting so please welcome them when you see them.

Starlink is now up and running as the Club's new internet so your internet access should be significantly better. TCT will still manage the WiFi. And....TCT will be doing some equipment upgrades soon which should make service even better. However, please limit streaming as service is shared among many users.

The Cornhole Tournament was a huge success sponsored by the Nieters and the Millers. They made \$390.00 which they donated to the Club. Way to go guys! Thanks so much for your contribution. Everyone had a great time.

The Club grounds are looking beautiful thanks to all those that helped with the new camping spots, the fence, the removal of the junipers on the corner which were replaced with landscape rocks donated by Jerry Woodward.

After the last meeting, the well went down so there was no water! Thanks to Lonnie for organizing help when he couldn't find a plumber. By fixing the well themselves, the Club saved about \$3000.00. What talent we have and such committed members. Kudos to all that helped. You are the BEST!

The State will be here August 19<sup>th</sup> to do a walk through so it's important that all the lots are in tip top shape. Please take time to clean up your lot so we don't have any writeups! We are the State's favorite Boat Club so let's keep it that way.

Speaking of the State.....the Club just renewed its lease with the State. There has been an increase of 2.25% per year for the next five years. In order to absorb this increase, the Board voted to increase lot rents to \$800 and membership dues to \$100 beginning next year for five years. This increase will be voted on by members at the August meeting. Another reason to be there!!

Elections will be held next month at the August meeting so a quorum will be needed. Gayle Walters position as Director is open as well as the Secretary. It's a great way to serve so talk to Denis Brothers or Gary Miller if you are interested! Please!

**CANCELLED!** The Pitchfork Steak Fry which was scheduled for July 23 has been cancelled (a tear is falling) due to unforeseen circumstances! Hopefully, we will be able to do it next year!

Rockin the Reservoir will be held August 6<sup>th</sup>, and Albert Dines is sponsoring the event. Meat will be provided for a minimum charge and so please bring a side dish to share.

**THE NEXT MEETING WILL BE HELD ON August 5th.** Happy Hour at 5:30, **POTLUCK** Dinner is at 6:30PM with the general meeting at 7:15. Please bring a dish to share, your own table service and beverage.

(over)

\*\*\*\*The Board has put together a list of volunteer opportunities for those interested in helping with the ongoing maintenance of the Club. Some jobs are just a one-time job and others continue through the season. There is a list in the clubhouse so stop by and see where you can use your talents! We are always so grateful for your time no matter how much or how little. Many hands make light work!

**REMINDER** Your dues and lot leases were due May 1. Please note in your agreement and bylaws you are at risk of losing your membership if not paid, and we are reaching our maximum number so you don't want to risk losing it as there are people waiting to join. **If you do not want to renew your membership, please take the time to notify Barb Loyning.**

**WEBSITE** – Lonnie Berett and Cindy Kamigaki are helping with the administration of the club's website. The website is private and password protected to make sure members' information is safe and secure. Some handy information on the site includes how to contact members, documents/forms, upcoming events, and information on marina slip lessees. These are just a sampling of the great information provided on our website. The site is easy to use, so check it out at [bhbbc.org](http://bhbbc.org). If you don't have the password, please reach out to Cindy or Lonnie and they will be happy to help.

**Reminder.....**

Club members, old and new.....We are on a well and septic system. Please, don't put anything down the toilet (in your house or the clubhouse) that hasn't been eaten or drunk..., except toilet paper. Fix all toilets &/or faucets that do not shut off properly & turn off water supply if leaving for a week or more. Thank you!

Keep us updated on any Address, Email, & Phone # Changes so we can keep in contact & let us know if Emailed Newsletters or regular mailed Newsletters work better for you. We want to make sure you stay connected and involved, while also conserving where we can.
