

June 2017 NEWSLETTER

Well, it finally feels like summer is around the corner! That could change tomorrow but we are getting close! Of course with the nicer weather so come the weeds so make sure your lot is kept free of weeds!

Two new members were voted into the Club at the May meeting so when you see Gene Twiss, and Craig and Char Olson please make them welcome!

Dan and Jared from the State Parks attended the May meeting and were able to sell season passes for those that were interested. It was great being able to purchase from them versus going to the Chamber of Commerce which could be very busy this time of year!

Commodore Fish announced the Riprap Project has been completed and signed off by the State! Hurrah! The Army Corps of Engineers has left the permit open so any necessary maintenance work can be done without having to file for another permit. Lonnie and Yogi worked diligently on this project and the Board is very grateful!

The renewal permit for the septic system is under public comment and should be approved once that has been completed.

The paperwork for the Club's lease renewal was received and has been reviewed by Phil, Joe and Sherry. The current appraisal is rather high and the committee asked for another appraisal that will be provided to the State. The process is progressing, and the Commodore should be signing the lease by the end of the month.

Now, folks, not to worry, the lawn WILL be planted but.....the temperature of the ground needs to be 50 degrees and we need to be able to water. You would think there would be plenty of water????? Hmmmm, water is being let out of the reservoir in order to make room for what's coming down the mountains so we just have to make sure the levels are high enough so the lawn can be watered. It's gonna happen.....really!!!!

Here's some news that's really exciting. We have WIFI! Woohoo!!! You won't be able to stream, and it is an open system so you don't want to do your banking but at least you will be able to access emails, etc. The password is ***fishing425***. **PLEASE, PLEASE, PLEASE DO NOT SHARE WITH ANYONE OTHER THAN CLUB MEMBERS!** Lonnie did a great job in putting this altogether and many of you will greatly appreciate being able to have it.

****The next meeting will be held on June 2nd with dinner at 6:30 and the general meeting at 7:15. Please bring a dish to share, your own table service and beverage.

Lee Morgan has once again offered to pay for any necessary tree trimming on Club property excluding dead trees or trees on lots. Thanks Lee, that is very generous! If anyone is interested in helping cut down dead trees please contact a Board member.

FYI – Please remember there is to be NO BUSINESS conducted on Club property, i.e., garage sales, internet business, etc.

The TO DO List is posted on the bulletin board on the east side of the Clubhouse so take a look and see what might interest you! We have such a great club because of all its volunteers!!

(over)

Please help keep an eye on water levels for the purpose of tension on dock lines (please coordinate with Elton Klentz to change tension)

WEBSITE - As a reminder, Lonnie Berett is helping with Website administration. Stay informed by going to www.bhbbs.org our own private website for members shielded from all search engines like Google etc. This is

a personal secure site, any additions of pictures or general information has to be implemented by Member Administrators which keeps the site from being hacked and our information safe. Passwords depending on browser (Firefox, Internet Explorer, etc.) will be requested depending on browser but is only needed for access to member contact information. It's quite easy & fun once you learn how. Contact kc@bhbbs.org if interested or need password reset or questions. The website has all the latest information and you may send us your club, lake or fish photos for posting on the Gallery Page.

Reminder.....

Club members, old and new.....We are on a well and septic system. Please, don't put anything down the toilet (in your house or the clubhouse) that hasn't been eaten or drunk..., except toilet paper. Fix all toilets &/or faucets that do not shut off properly & turn off water supply if leaving for a week or more.Thank you!

Keep us updated on any Address, Email, & Phone # Changes so we can keep in contact & let us know if Emailed Newsletters or regular mailed Newsletters work better for you. We want to make sure you stay connected and involved, while also conserving where we can. **Also, if you do not want to renew your membership, please take the time to notify Sherry Brown.**

Duane, Kc, Mary & your humble BHBBC Board
