

June 2018 NEWSLETTER

The days are warming up and the snows are melting which means the lake is starting to fill up. That means boating is just around the corner! Woohoo!

Had a good turnout at the first meeting. Bryant and Sherry Wedin were introduced to members as prospective members and later the Board approved the Wedins as new members so when you see them please give them a warm welcome!

As many of you may know, there were two "wooly mammoths" discovered on the lake bed in April. A sign has been posted stating "there is to be no removal of items near the site". Of course, that site is or will be under water soon but the archeologists are planning to excavate again next year when water levels recede.

Still no word from the State regarding the proposed boat storage building, fence and wood trough. Maybe we will hear something by the end of the summer.

A letter was sent to all lot owners expressing the need to have lots clean and everything in order as there will be an inspection by the State but no date has been set. Some of you have taken care of weeds but if you haven't been up to check your place please do so as soon as possible. If you need to paint your place or repair steps please take care of that as well. So far we have had a great record with the State in the appearance of our property and we want to keep it that way!!

ATTENTION: PLEASE DO NOT FILL THE GARBAGE DUMPSTERS WITH LARGE ITEMS LIKE CARPET AND FURNITURE. COSTS ARE INCREASING AND WE PAY BY THE AMOUNT OF TRASH THAT IS HAULED AWAY. IF YOU BRING IN A NEW ITEM, PLEASE HAUL OUT THE OLD ITEM AND DO NOT PLACE IT IN OUR DUMPSTERS. RECYCLE AS MUCH AS POSSIBLE. THERE IS A LARGE BARREL IN THE CLUBHOUSE FOR CANS. OTHER RECYCLABLES CAN BE HAULED TO THE RECYCLING CENTER IN CODY OR DROPPED OFF AT THE BINS IN THE WALMART PARKING LOT. THANK YOU FOR YOUR HELP IN THIS MATTER.

The Park County Commissioners have been talking about a "free area" but State Parks Superintendent, Dan Marty, who attended the May meeting, stated the area being considered is undeveloped which would not affect the Club.

As mentioned in the last newsletter there have been some concerns with the high cost of propane. Blakeman Propane came out to the Club on another matter and suggested that gas regulators at each trailer be changed out in the fall. The cost is approximately \$48.00 so be thinking about having that done in September or October.

Winter was a little rough on the clubhouse and there were some leaks which have been repaired, and now that lovely pinkish carpet may be on its way out the door. Members voted at the last meeting to approve an expenditure of up to \$6,000 for commercial grade carpet so if you have any fond memories of that lovely carpet come say goodbye to it soon!

The next meeting will be held on June 1st with dinner at 6:30 and the general meeting at 7:15. Please bring a dish to share, your own table service and beverage.

(over)

The Commodore, at the last meeting, thanked Yogi and Lonnie for work on the bank stabilization; Miles Holloway for filing our taxes and Fred Harvey for spraying weeds in the public areas. The Board is always grateful to volunteers as it makes our Club so great!

A "To Do" list has been posted on the bulletin board so if you are interested in volunteering just take a look at the list and put your initials under the column headed "Responsible Party". Volunteers have made this club what it is so thank you for helping out!
