

May 2017 NEWSLETTER

Ahhh, it's springtime in the Rockies!! A little snow here, 60 degree weather there! You never know what the day will bring as far as weather. But.....it was a beautiful day when the Clubhouse was opened. Thanks so much everyone who helped with the event. Because there were so many volunteers the job was completed by 10:30. Great job!!

It is with great sadness that the Board must inform you that Jim Coorough passed away the first part of April. We lost Teresa last year and now Jim and they will both be greatly missed. Our thoughts are with the Coorough family.

The first meeting of the season will be held on May 4th with dinner at 6:30 and the general meeting at 7:15. Please bring a dish to share, your own table service and beverage.

There has been some concern regarding high cost of propane for some of you and it may be that your meter needs to be changed out. Please check with one of the Board members if you think this may apply to you.

A "To Do" list has been posted on the bulletin board so if you are interested in volunteering just take a look at the list and put your initials under the column headed "Responsible Party". Volunteers have made this club what it is so thank you for helping out!

Also, the Board purchased vehicle stickers to help identify members of the Club. You can pick them up at the meeting on May 4th. They are to be placed on the inside of the back window on the driver's side. Hopefully this will help us to identify nonmembers that might be driving through.

Last year there were a few changes made to the By-Laws and Standing Rules regarding fee increases, notification if you are selling a trailer, and approval before bringing in gravel. If you would like a copy please notify a Board Member.
