

May 2021 NEWSLETTER

Seems like it has been forever since we were spending days up at the reservoir, and someday soon it will be spring.....oh wait.....it is spring.....springtime in the Rockies (snow, rain and mud!!)

What a year it has been.....with lockdowns, crisis schooling, masks, businesses closed but.....we are survivors looking forward to many days on the lake.

Much has happened during these winter months. The security camera was installed so the next time someone runs, with a vehicle, into the clubhouse it will be on camera! Also, the weather station was installed but after our nice little cold spell it stopped working and had to be sent in for repair. It is up and running so check it out on the website if you haven't already. On those windy days you can save yourself a trip by looking at the camera!

Oh, by the way, the clubhouse is now open. A very, very, very small crew did the honors on April 3, and many thanks to you who were involved!

An application to place recycled asphalt on the south side of the clubhouse, for dancing etc., was submitted to the State and denied but as you all know, we shall not be discouraged and will try again next year.

The application for additional camping spots is still under review by the State as they lost the original application. Thanks to your fearless leader, the Commodore, he had a copy to resend them.

Fred has been busy getting estimates on windows which was a bit costly. May have to designate some fundraising money for that project.

Yogi and Suz will once again be taking care of mowing and watering the public park area so thank them when you see them as that is a big job.

Main dock anchor cable broke this winter so those repairs will need to be made once the water level recedes. Lonnie has purchased some bigger cable so hopefully that will alleviate the problem for some time.

If anyone is interested in selling their trailer, Lonnie has put together a list of members who are interested in buying so please let him know.

CINCO DE MAYO party on May 8th!! The Bradys, Owens and Tapatio's in Powell have joined forces to celebrate. More details at the first meeting on May 7th.....

Speaking of the first meeting.....May 7th, **POTLUCK**, happy hour 5:30pm, dinner at 6:30 and meeting starts at 7:15. Please bring a dish to share, your own table service and beverage. Can't wait to see everyone!
