

May/June 2020 NEWSLETTER

Well, it's been one heck of a year! Hope you all have stayed healthy and sane through the last couple of months! Thank goodness, summer seems near although rains are forecast through the weekend. But since it's been a very mild year weather-wise, we can sure use the moisture.

The clubhouse is open now but please observe the rules of social distancing and washing hands.

The Board would like to welcome Tim and Kris Nieters as new members. They submitted their application in April and were planning to be at the May meeting but due to COVID-19 could not be approved so the Board approved their application at the May 19th Board meeting. Please welcome them when you see them.

The Club took over the maintenance of the ice machine and water this winter and all went well. There were a couple of times that Board members were called to check on the ice house as the power went off which meant the heat went off but it was quickly remedied. Thanks to those that monitored that situation.

ATTENTION DOG OWNERS-Please refer to Section 8 of the Standing Rules of the Big Horn Basin Boat Club which states "All pets brought onto the State Park Land leased by the Boat Club shall be kept on a leash or otherwise confined to a vehicle or trailer space. Pet owners or handlers shall be responsible for proper removal and disposal of the animal's waste wherever it may occur".

Road work is progressing and you will notice all the new gravel that has been laid down. Fred has been busy working on smoothing out the roads, so thank you Fred for your hard work!

There are many members who have spent quite a bit of time working and the Board would like to thank Duane, Gary, Denis, Lori, Steve, Linda, Mike, Gary Miller and Yogi for all they've done so far this year. These volunteers make our Club great!

GUESTS-Please remember that guests are allowed to stay for **ONLY** 30 days in one calendar year according to your lease agreement; provided that no such guest shall be regularly employed during the term of such use and such use is for vacation and recreational purposes only.

It looks like there will be a "Rockin the Reservoir" this summer so stay tuned for more information.

The next meeting will be held on June 5th with social hour at 6:30 and the general meeting at 7:15. There will **NOT** be a potluck but you are free to bring your dinner to eat during social hour. If you bring your own food, please bring your own table setting and beverage.
