

October 2022 NEWSLETTER

So hard to believe but it's that time of year. We just had our last meeting of the season, which by the way had a great turnout considering it was the last meeting! The Clubhouse will be closed Saturday, October 15 at 9:00am. There will be doughnuts and hopefully some of Gary Miller's famous Bloody Marys. It's always a great last get together and with many hands the work goes quickly so come on out for the last hurrah.

Oh.....there will be one more get together before May and that is the burning of the driftwood. Buck is going to pile up driftwood and there is going to be one heck of a bonfire. Be watching the Facebook page and/or website for the date. You can bring your hotdogs and marshmallows to roast on the fire if you can get close enough!! But seriously, there will be food to eat to keep you warm.

With the water receding, the Board is going to look at the possibility of adding new slips/buoys. Of course, if the Board comes up with a plan it will need the permission of three different agencies. Stay tuned.....

The Board has ordered new security cameras as the old ones are not compatible with the new Wifi. One will be placed by the dumpsters so members can check water levels before making the trip out to the Club.

Yogi has offered to help blow out lines with his ginormous compressor which makes quick work of the process. Just give him a call and let him know when you need the help, and he will make every effort to be there.

For those of you with lots, the Lease Agreement has been revised and will be sent out in March along with the bills for dues and slips. You will need to read them carefully, initial where noted, sign the last page and then return it to the Club. It can be mailed to BHBBC, P. O. Box 101, Powell WY 92435. Payments are due by May and with the number of people that are interested in joining it is very important to get your dues, etc. by the due date. Non-payment can result in the loss of lease and membership.

The Entertainment Committee has been working on ideas for events next year, and they are really excited about the upcoming year. They are also planning events for kids as we are getting more and more all the time. All these events with details will be on the website, Facebook and newsletters so check one of those out as May rolls around in 2023!

Cindy has updated the website so you do not need the password to get on and see things like pictures, weather station, etc. however you will need the same password that you previously used to see member information, slip information. Please contact Lonnie or Cindy if you have a problem. Thanks Cindy. It looks great!

THANK YOU to all those that volunteered this summer to make our Club a beautiful place. The Board is overwhelmed with gratitude for all of your help. A visitor, who had not seen the Club in a few years, could not believe how great it looked, and it's all thanks to you!

(over)

THE NEXT MEETING WILL BE HELD ON May 5, 2023. Happy Hour at 5:30, **POTLUCK** Dinner is at 6:30PM with the general meeting at 7:15. Please bring a dish to share, your own table service and beverage.

SPECIAL ALERT!!! The minutes of each meeting are going to be attached to Newsletters in the future. This will alleviate the need for reading them at the meeting which will save time, and you won't have to listen to the Secretary drone on and on and on! Please take time to read them so a motion can be made to approve them, and the Commodore can move on with the really important items.

WEBSITE – Lonnie Berett and Cindy Kamigaki are helping with the administration of the club's website. The website is private and password protected to make sure members' information is safe and secure. Some handy information on the site includes how to contact members, documents/forms, upcoming events, and information on marina slip lessees. These are just a sampling of the great information provided on our website. The site is easy to use, so check it out at bhbbc.org. If you don't have the password, please reach out to Cindy or Lonnie and they will be happy to help.

Reminder.....

Club members, old and new.....We are on a well and septic system. Please, don't put anything down the toilet (in your house or the clubhouse) that hasn't been eaten or drunk..., except toilet paper. Fix all toilets &/or faucets that do not shut off properly & turn off water supply if leaving for a week or more. Thank you!

Keep us updated on any Address, Email, & Phone # Changes so we can keep in contact & let us know if Emailed Newsletters or regular mailed Newsletters work better for you. We want to make sure you stay connected and involved, while also conserving where we can.

Lonnie, Duane, Mary & your humble BHBBC Board
