

September 2020 NEWSLETTER

Fall is definitely in the air (sad face emoji). Where did the summer go?? It's been a whirlwind for sure.

The Board approved the applications of Lex Brady, and Ernie and Susan Acevedo at the August meeting. When you see them please give them a warm welcome!

Elections were held at the August meeting. Yogi was reelected as Director, and Mary was reelected as Secretary.

Rockin the Reservoir and the Annual Auction both had great turnouts. Thanks to Albert Dines for his donation of the bands. Food was great and it was a good fundraiser for the Club. The Auction was lively as usual and there were some very fantastic buys! Too bad for those of you who missed out! Thanks to all who attended both events and made them a success.

Fishing Derby and Fish Fry will be held on September 5. The Derby begins at 7am and goes until 3pm, and fish must be weighed in by 3pm. Cost is \$10.00 per person and prizes will be determined by the number of entries. Fish fry is at 5:30pm. If anyone brings fish to fry, they must be cleaned and filleted. If you don't know how to fillet contact Steve Sweet and he will give you a lesson in filleting. There will be a sign-up sheet in the clubhouse after the meeting on Friday.

Commodore Berett explained at the August meeting that the success of this Club is based on volunteers and wanted to thank the following: Judy and Ken (reading gas meters, working on the water system and cleaning pressure tank; Kim and Perry (water testing each month); Tom (sprinkler system and hydroseeding on north lawn); Yogi (installation and materials for split rail fence and road work); Fred (tractor work and reverse osmosis); Scott Heinrichs (piling driftwood) Cathy Potts and Pat Thomas (auction and purchasing products for Club); Jim (burning limb pile); Neal (water usage); Gary Sweet (picnic table and juke box); Mike Brown (defib from museum); Miles (taxes) Sherry (finances); Steve and Linda (pitchfork dinner); Don (adjusting docks); Albert Dines (music for Rockin the Reservoir) and Mary (newsletter/minutes). Also want to thank the volunteers that have done mowing, weeding and all the other jobs to make the Club beautiful! Let's not forget how much work the Commodore does as well! So, as you can see, this is why this Club is so great!

The harbor/slip committee is working to maximize use and increase the availability of the slips. Some are not used as often as others, and if a boater would like to use one but does not own one the committee is trying to find ways to make that possible.

The next meeting will be held on September with social hour at 6:30 and the general meeting at 7:15. If you feel comfortable sharing an appetizer please feel free to do so. There will still not be a potluck due to concerns over the Coronavirus. Please remember to be respectful of others and maintain social distancing. We expect all of our members to decide what risk is acceptable to you and to stay as safe as reasonably possible.

REMINDER-SLOW DOWN! Please remember to slow down when you enter the Club's property as there are kids running around, golf carts and people! Also, remind your guests when they visit you of the speed limit and other club rules.

ANOTHER REMINDER-Burn pit is for tree limbs, grass clippings ONLY ! NOT FOR CONSTRUCTION DEBRIS OR FURNITURE. THOSE ITEMS CANNOT GO INTO THE DUMPSTERS EITHER. YOU MUST TAKE THEM TO THE DUMP.
