

September 2021 NEWSLETTER

Elections were held August 6 with Barb Loyning being elected treasurer and Mike Feketi being elected director. Thank you both for stepping up and special thanks go to Sherry Brown for her years of service as treasurer and to Fred Harvey for all of his help and insight as director.

Please welcome new members: Kammi Mock, Jeremy and Amy Jackson, Harley and Laura Canapp and Jim and Irene Stout. The Club has reached its limit on membership. Applications will be accepted, dated and interviews will be held when there are openings.

Rockin the Reservoir was another great event. Fairly nice weather and a WONDERFUL taco bar, thanks to Cathy, Kim and Leslie! Great music as well! Thanks to everyone who helped

The Clubhouse looks great.....new paint job, renovated bathrooms, a clear window looking to the west. Thanks to all who have worked to make it all look so nice!

Most of all you know that the campsites proposed for the south end of the Club will not be built.

If you are thinking about renting out your trailer as a vacation rental or any type of rental **DON'T!** The Club's lease with the State prohibits such activity.

The annual fishing derby and fish fry will be held on September 4. More details to follow at the General Meeting on September 3.

And speaking of September 3, plan to have dinner at 6:30pm, followed by the general meeting at 7:15. Please bring a dish to share, your own table service and drinks.

Cindy Kamigaki is working on the Club's website which is exciting as it is going to have a new look and be easier to navigate. The proposed launch date is the end of September.

For those of you that love cheese, Neal Straight is making a trip back east and is taking orders for almost any type of cheese you desire. Last year he brought back 1500 pounds!

BURN PILE: Please note that only limbs and grass are to be put into the burn pile. Absolutely NO furniture or construction materials!!

REMINDER-If you are leasing a lot and want to make changes you **MUST** submit your plan to the Board and remember it may have to go to the State which could take a long time before it is reviewed. This is **NOT** an overnight process.
