

## September 2022 NEWSLETTER

Fall is in the air with cooler nights and shorter days, and the reservoir is down which is another indication.

Michael and Mindy Megerth and Dan and Brittne Faulkner became members at the last meeting. Give them a Boat Club welcome when you see them.

It was announced at the meeting on the 9<sup>th</sup> that Chuck Wentz passed away as a result of injuries sustained in an automobile accident. Diana is still recovering from injuries. Please keep Diana and family in your thoughts.

The Auction was a HUGE success this year bringing in \$4,772.76. Thank you to everyone who donated items, and a special thanks to those who purchased those items. Lonnie was bidding on a beautiful plaque and thanks to the many bidding up the price, he paid a handsome sum! It is now hanging on the wall in the Clubhouse. Thanks Lonnie!!

The Fishing Derby was held on September 10 with 22 entries. It turned out to be a beautiful day, considering the day before it felt like winter. Yogi placed 1<sup>st</sup> with the biggest fish, Kim Sweet was 2<sup>nd</sup> and Don Barsness placed third. Gary Ramey won a prize for the biggest walleye. After all that hard work, Mike Feketi fed everyone catfish and corn. It was a wonderful end to a busy day.

The new ice machine has been installed and is making lots of ice. The Board has decided to keep the old one for backup.

The State was here on August 23<sup>rd</sup> for their annual inspection. They were very thorough this time. Julie is getting ready to retire in 2023, and was training Stephanie Dillman, who may possibly take Julie's place when she retires. The Board has not received the final report as of this newsletter. If lot owners have any infractions, they will be notified by mail or phone. There was discussion with the State regarding the erosion problem, new slips and anchor buoys. No decision was made but at least the discussion has been started. BHBBC is still the best boat club in the State according to Julie. Thank you all for making it so.

Gary has taken over the new mower so if you had any hopes of trying it out (I hear it's amazing) you will have to do rock, paper, scissors (that's how kids make decisions these days) in order to get a ride on it. The two old mowers and the walk behind weed trimmer have been sold, and Lonnie is searching for two battery operated weed trimmers. Gary, we really do appreciate you for all the mowing you have done!

The **Final Fling** will be held on October 8<sup>th</sup>. Still waiting on the details so be watching Facebook for more information. It's the last time we will be together (except for the closing) until next spring. Where did the summer go?

**THE NEXT MEETING WILL BE HELD ON October 7<sup>th</sup>.** Happy Hour at 5:30, **POTLUCK** Dinner is at 6:30PM with the general meeting at 7:15. Please bring a dish to share, your own table service and beverage.

**SPECIAL ALERT!!!** The minutes of each meeting are going to be attached to Newsletters in the future. This will alleviate the need for reading them at the meeting which will save time, and you won't have to listen to the Secretary drone on and on and on! Please take time to read them so a motion can be made to approve them, and the Commodore can move on with the really important items.

(over)

\*\*\*\*The Board has put together a list of volunteer opportunities for those interested in helping with the ongoing maintenance of the Club. Some jobs are just a one-time job and others continue through the season. There is a list in the clubhouse so stop by and see where you can use your talents! We are always so grateful for your time no matter how much or how little. Many hands make light work!

**WEBSITE** – Lonnie Berett and Cindy Kamigaki are helping with the administration of the club's website. The website is private and password protected to make sure members' information is safe and secure. Some handy information on the site includes how to contact members, documents/forms, upcoming events, and information on marina slip lessees. These are just a sampling of the great information provided on our website. The site is easy to use, so check it out at [bhbbc.org](http://bhbbc.org). If you don't have the password, please reach out to Cindy or Lonnie and they will be happy to help.

**Reminder.....**

Club members, old and new.....We are on a well and septic system. Please, don't put anything down the toilet (in your house or the clubhouse) that hasn't been eaten or drunk..., except toilet paper. Fix all toilets &/or faucets that do not shut off properly & turn off water supply if leaving for a week or more. Thank you!

Keep us updated on any Address, Email, & Phone # Changes so we can keep in contact & let us know if Emailed Newsletters or regular mailed Newsletters work better for you. We want to make sure you stay connected and involved, while also conserving where we can.

**Lonnie, Duane, Mary & your humble BHBBC Board**
